## "WATER ACT, 1909."

WHEREAS the Quesnelle Hydraulic Gold Mining Company, a company duly incorporated under the laws relating to private corporations of the State of Delaware, one of the United States of America, having its head office at the City of Dover, in the said State of Delaware, and duly licensed to transact business in the Province of British Columbia, and having its head office for the Province in the City of Vancouver, has petitioned under the provisions of the "Water Act, 1909," for a certificate in pursuance of the provisions of sections 85, 86, and 89 to enable the Company to engage in the undertaking and to construct the works mentioned hereafter at Swift River and Twenty-mile Creek, and lands and water adjacent thereto, situated in the Cariboo and Quesnel Mining Divisions in the Cariboo District, for the purposes of hydraulic mining according to the plans submitted; and

Whereas the Company has filed with the Lieutenant-Governor in Council the documents required under Part VI. of the said Act:

This is to certify that the undertaking, as submitted, has been approved by the Lieutenant-Governor in Council, and that the same is as follows:—

To divert 250 cubic feet of water per second from Swift River, the point of diversion being at the first gorge west of a large creek flowing at the southern end of Cariboo Mountain, provisionally identified as Porter Creek, the water to be returned to Twenty-mile Creek, a tributary of the Quesnel River, about twenty miles west of Quesnel Forks. The ditch line, of approximately nineteen miles in length, will be constructed across public lands.

The difference in altitude between the point of diversion and the point where the water is to be returned is approximately 1,000 feet. It is intended to store or divert the water by means of dams, ditches, wooden flumes, pipes, and natural water-courses.

It is proposed, and the Quesnelle Hydraulic Gold Mining Company is hereby permitted, to construct a reservoir at or near the point of diversion, to be formed by a dam across Swift River 50 feet in height, covering an area of Crown land of about 250 acres, more or less. The site of the reservoir, comprising an area of approximately 10 acres, will be acquired by purchase and mineral location. No lands belonging to private parties will be affected.

The said water will be used for hydraulic mining and power purposes in developing ten hydraulic mining leases, the property of the Company and situated at and adjacent to Twenty-mile Creek.

And this is further to certify that the amount of the capital of the Company is one million seven hundred and fifty thousand dollars, the whole of which capital is fully paid up.

That the time within which the said undertaking and works shall be commenced is fixed at two months from the date hereof, and the time by which the proposed undertaking shall be completed and in operation is fixed at two years from the date hereof.

That the locality, place, or district within which the corporate powers of the Company in respect of its undertaking and works are to be exercised may be described as follows: On and adjacent to Swift River and Twenty-mile Creek, in the Cariboo and Quesnel Mining Divisions in the District of Cariboo, Province of British Columbia.

## ATTORNEY-GENERAL.

### AT THE COURT AT WINDSOR CASTLE,

The 23rd Day of January, 1911.

PRESENT:

THE KING'S MOST EXCELLENT MAJESTY,  
 H. R. H. THE DUKE OF CONNAUGHT  
 AND STRATHEARN, LORD PRESIDENT,  
 LORD KNOLLYS, SIR ARTHUR BIGGE.

WHEREAS by an Act passed in a Session of Parliament held in the seventh and eighth years of Her late Majesty Queen Victoria's reign (shortly entitled "The Judicial Committee Act, 1844"), it was enacted that it should be competent to Her Majesty by any Order or Orders in Council to provide for the admission of Appeals to Her Majesty in Council from any judgment, sentences, decrees, or orders of any Court of Justice within any British Colony or Possession abroad, although such Court should not be a Court of Error or Appeal within such Colony or Possession, and to make provision for the instituting and prosecuting of such Appeals and for carrying into effect any such decisions or sentences as Her Majesty in Council should pronounce thereon:

And whereas by an Order of Her Majesty Queen Victoria in Council dated the 12th day of July, 1887, provision was made to enable parties to appeal from the decisions of the Supreme Court of British Columbia to Her Majesty in Council:

And whereas by an Act passed by the Legislature of British Columbia in the seventh year of the reign of His late Majesty King Edward the Seventh, entitled "An Act constituting a Court of Appeal and declaring its jurisdiction," provision was made for the constitution of a Court of Appeal for the Province of British Columbia.

And whereas it is expedient, with a view to equalizing as far as may be the conditions under which His Majesty's subjects in the British Dominions beyond the Seas shall have a right of appeal to His Majesty in Council, and to promoting uniformity in the practice and procedure in all such Appeals, that the rules regarding Appeals from the said Supreme Court contained in the said Order in Council should be revoked and provision should be made for Appeals from the said Court of Appeal to His Majesty in Council:

It is hereby ordered by the King's Most Excellent Majesty, by and with the advice of His Privy Council, that the said Order in Council

shall be and the same is hereby revoked, and that the Rules hereunder set out shall regulate all Appeals to His Majesty in Council from the Court of Appeal of British Columbia.

1. In these Rules, unless the context otherwise requires:—

“Appeal” means Appeal to His Majesty in Council;

“His Majesty” includes His Majesty’s heirs and successors;

“Judgment” includes decree, order, sentences, or decision;

“Court” means the “Court of Appeal” for British Columbia;

“Record” means the aggregate of papers relating to an Appeal (including the pleadings, proceedings, evidence, and judgments) proper to be laid before His Majesty in Council on the hearing of the Appeal;

“Registrar” means the Registrar or other proper officer having the custody of the Records in the Court appealed from;

“Month” means calendar month;

Words in the singular include the plural, and words in the plural include the singular.

2. Subject to the provisions of these Rules, an Appeal shall lie—

(a.) as of right, from any final judgment of the Court, where the matter in dispute on the Appeal amounts to or is of the value of £500 sterling or upwards, or where the Appeal involves, directly or indirectly, some claim or question to or respecting property or some civil right amounting to or of the value of £500 sterling or upwards; and

(b.) at the discretion of the Court, from any other judgment of the Court, whether final or interlocutory, if, in the opinion of the Court, the question involved in the Appeal is one which, by reason of its great general or public importance or otherwise, ought to be submitted to His Majesty in Council for decision.

3. Where in any action or other proceeding no final judgment can be duly given in consequence of a difference of opinion between the judges, the final judgment may be entered *pro forma* on the application of any party to such action or other proceeding according to the opinion of the Chief Justice or, in his absence, of the senior puisne Judge of the Court, but such judgment shall only be deemed final for purposes of an Appeal therefrom, and not for any other purpose.

4. Applications to the Court for leave to appeal shall be made by motion or petition within twenty-one days from the date of the judgment to be appealed from, and the applicant shall give the opposite party notice of his intended application.

5. Leave to appeal under Rule 2 shall only be granted by the Court in the first instance—

(a.) upon condition of the Appellant, within a period to be fixed by the Court, but not exceeding three months from the date of the hearing of the application for leave to appeal, entering into good and sufficient security, to the satisfaction of the Court, in a sum not exceeding £500, for the due prosecution of the Appeal, and the payment of all such costs as may become payable to the Respondent in the event of the Appellant’s not obtaining an order granting him final leave to appeal, or of the Appeal being dismissed for non-prosecution, or of His Majesty in Council ordering the Appellant to pay the Respondent’s costs of the Appeal (as the case may be); and

(b.) upon such other conditions (if any) as to the time or times within which the Appellant shall take the necessary steps for the purpose of procuring the preparation of the record and the despatch thereof to England as the Court, having regard to all the circumstances of the case, may think it reasonable to impose.

6. Where the judgment appealed from requires the Appellant to pay money or perform a duty, the Court shall have power, when granting leave

to appeal, either to direct that the said judgment shall be carried into execution or that the execution thereof shall be suspended pending the Appeal, as to the Court shall seem just. And in case the Court shall direct the said judgment to be carried into execution, the person in whose favour it was given shall, before the execution thereof, enter into good and sufficient security, to the satisfaction of the Court, for the due performance of such Order as His Majesty in Council shall think fit to make thereon.

7. The preparation of the Record shall be subject to the supervision of the Court, and the parties may submit any disputed question arising in connection therewith to the decision of the Court, and the Court shall give such directions thereon as the justice of the case may require.

8. The Registrar, as well as the parties and their legal agents, shall endeavour to exclude from the Record all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the Appeal, and generally, to reduce the bulk of the Record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be copied or printed shall be enumerated in a list to be placed after the index or at the end of the Record.

9. Where in the course of the preparation of a Record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, the Record, as finally printed (whether in British Columbia or in England), shall, with a view to the subsequent adjustment of the costs of and incidental to such document, indicate in the index of papers, or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.

10. The Record shall be printed in accordance with the Rules set forth in the Schedule hereto. It may be so printed either in British Columbia or in England.

11. Where the Record is printed in British Columbia the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council forty copies of such Record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof and by affixing thereto the seal, if any, of the Court.

12. Where the Record is to be printed in England, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council one certified copy of such Record, together with an index of all the papers and exhibits in the case. No other certified copies of the Record shall be transmitted to the Agents in England by or on behalf of the parties to the Appeal.

13. Where part of the Record is printed in British Columbia and part is to be printed in England, Rules 11 and 12 shall, as far as practicable, apply to such parts as are printed in British Columbia and such as are to be printed in England respectively.

14. The reasons given by the judge, or any of the judges, for or against any judgment pronounced in the course of the proceedings out of which the Appeal arises shall by such judge or judges be communicated in writing to the Registrar, and shall by him be transmitted to the Registrar of the Privy Council at the time when the Record is transmitted.

15. Where there are two or more applications for leave to appeal arising out of the same matter, and the Court is of opinion that it would be for the convenience of the Lords of the Judicial Committee and all parties concerned that the Appeals should be consolidated the Court may direct the Appeals to be consolidated and grant leave to appeal by a single order.

16. An Appellant who has obtained an order granting him conditional leave to appeal may at any time prior to the making of an order granting him final leave to appeal withdraw his Appeal on such terms as to costs and otherwise as the Court may direct.

17. Where an Appellant, having obtained an order granting him conditional leave to appeal, and having complied with the conditions imposed on him by such order, fails thereafter to apply with due diligence to the Court for an order granting him final leave to appeal, the Court may, on an application in that behalf made by the Respondent, rescind the order granting conditional leave to appeal, notwithstanding the Appellant's compliance with the conditions imposed by such order, and may give such directions as to the costs of the Appeal and the security entered into by the Appellant as the Court shall think fit, or make such further or other order in the premises as, in the opinion of the Court, the justice of the case requires.

18. On an application for final leave to appeal, the Court may inquire whether notice, or sufficient notice, of the application has been given by the Appellant to all parties concerned, and, if not satisfied as to the notices given, may defer the granting of the final leave to appeal, or may give such other directions in the matter, as in the opinion of the Court, the justice of the case requires.

19. An Appellant who has obtained final leave to appeal shall prosecute his Appeal in accordance with the Rules for the time being regulating the general practice and procedure in Appeals to His Majesty in Council.

20. Where an Appellant, having obtained final leave to appeal, desires, prior to the despatch of the Record to England, to withdraw his Appeal, the Court may, upon an application in that behalf made by the Appellant, grant him a certificate to the effect that the Appeal has been withdrawn, and the Appeal shall thereupon be deemed, as from the date of such certificate, to stand dismissed without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

21. Where an Appellant, having obtained final leave to appeal, fails to show due diligence in taking all necessary steps for the purpose of procuring the despatch of the Record to England, the Respondent may, after giving the Appellant due notice of his intended application, apply to the Court for a Certificate that the Appeal has not been effectually prosecuted by the Appellant, and if the Court sees fit to grant such a Certificate, the Appeal shall be deemed, as from the date of such Certificate, to stand dismissed for non-prosecution without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

22. Where at any time between the date of the order granting final leave to appeal and the despatch of the Record to England the Record becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court may, notwithstanding the order granting final leave to appeal, on an application in that behalf made by any person interested, grant a certificate showing who, in the opinion of the Court, is the proper person to be substituted or entered on the Record in place of, or in addition to, the party who has died, or undergone a change of status, and the name of such person shall thereupon be deemed to be so substituted or entered on the Record as aforesaid without express Order of His Majesty in Council.

23. Where the Record subsequently to its despatch to England becomes defective by reason of the death, or change of status, of a party to the Appeal the Court shall, upon an application in that behalf made by any person interested, cause a certificate to be transmitted to the Registrar of the Privy Council showing who, in the opinion of the Court, is the proper person to be substituted, or entered, on the Record, in place of, or in addition to, the party who has died or undergone a change of status.

24. The Case of each party to the Appeal may be printed either in British Columbia or in Eng-

land and shall, in either event, be printed in accordance with the Rules set forth in the Schedule hereto, every tenth line thereof being numbered in the margin, and shall be signed by at least one of the Counsel who attends at the hearing of the Appeal, or by the party himself if he conducts his Appeal in person.

25. The Case shall consist of paragraphs numbered consecutively and shall state, as concisely as possible, the circumstances out of which the Appeal arises, the contentions to be urged by the party lodging the same, and the reasons of appeal. References by page and line to the relevant portions of the Record as printed shall, as far as practicable, be printed in the margin, and care shall be taken to avoid, as far as possible, the reprinting in the Case of long extracts from the Record. The taxing officer, in taxing the costs of the Appeal, shall, either of his own motion, or at the instance of the opposite party, inquire into any unnecessary prolixity in the Case, and shall disallow the costs occasioned thereby.

26. Where the Judicial Committee directs a party to bear the costs of an Appeal incurred in British Columbia, such costs shall be taxed by the proper officer of the Court in accordance with the rules for the time being regulating taxation in the Court.

27. The Court shall conform with, and execute, any Order which His Majesty in Council may think fit to make on an Appeal from a judgment of the Court in like manner as any original judgment of the Court should or might have been executed.

28. Nothing in these Rules contained shall be deemed to interfere with the right of His Majesty, upon the humble Petition of any person aggrieved by any judgment of the Court, to admit his Appeal therefrom upon such conditions as His Majesty in Council shall think fit to impose.

ALMERIC FITZROY.

#### SCHEDULE.

I. Records and Cases in Appeals to His Majesty in Council shall be printed in the form known as Demy Quarto.

II. The size of the paper used shall be such that the sheet when folded and trimmed will be 11 inches in height and 8½ inches in width.

III. The type to be used in the text shall be Pica type, but Long Primer shall be used in printing accounts, tabular matter, and notes.

## DOMINION ORDERS IN COUNCIL.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 11th day of March, 1911.

PRESENT:

HIS EXCELLENCY IN COUNCIL.

P. C. No. 417.

HIS Excellency in Council is pleased to order, and it is hereby ordered as follows:—

Sections 7 and 8 of the regulations for the disposal of petroleum and natural-gas rights, the property of the Crown, established by the Order in Council of the 11th day of March, 1910, are hereby rescinded, and the following substituted therefor:—

"7. Application for a location situated in unsurveyed territory shall contain a description by metes and bounds of the location applied for, and shall be accompanied by a plan showing the position of such location in its relation to some prominent topographical feature or other known point. The plan shall contain sufficient data to admit of the position of the location applied for being definitely shown in the records of the Department. The location must be rectangular in form, except where a boundary of a previously located tract is adopted, as common to both locations, the length not to exceed three times the breadth.

"The application shall be accompanied by evidence, supported by affidavit of the locator, to show that the following requirements have been fully complied with:—

"(a.) That the location applied for has been defined on the ground by the locator in person by planting two wooden posts, at least four inches square, and standing not less than four feet above the ground, such posts being numbered '1' and '2' respectively. The distance between post No.

'1' and post No. '2' shall not exceed 15,840 feet, and upon each post shall be inscribed the name of the locator and the date of the location. Upon post No. '1' there shall be written, in addition to the foregoing, the words 'initial post,' the approximate compass bearing of the post No. '2,' and a statement of the number of feet lying to the right and to the left of the line between post No. '1' and post No. '2.'

"Thus—(Initial post, direction of post No. '2' is            feet lie to the right and            feet to the left of the line between post No. '1' and post No. '2'.)

"When the tract which an applicant desires to lease has been located, he shall immediately mark the line between post No. '1' and post No. '2' so that it can be distinctly seen, in a timbered locality, by blazing trees and cutting underbrush, and in a locality where there is neither timber nor underbrush he shall set posts of the above dimensions or erect mounds of earth or rock not less than two feet high and two feet in diameter at the base in such a manner that the line may be distinctly seen.

"(b.) All the particulars required to be inscribed on posts No. '1' and No. '2' shall be set out in the application, and shall be accompanied by a plan showing the position of the tract in its relation to some prominent topographical feature or other known point, such plan to contain sufficient data to admit of the location being shown definitely on the record of the Department.

"(c.) The locator shall post a written or printed notice on a conspicuous part of the location applied for, setting out his intention to apply within thirty days from the date of such notice for a lease of the petroleum and natural-gas rights under the said location.

"(d.) The application shall be accompanied by evidence, supported by the affidavit of the locator, in due form, to show that the above requirements of the regulations have been fully complied with.

"8. In case the tract applied for is located in unsurveyed territory on the margin of a river or lake, it shall not include more than one mile in direct distance along such water-frontage, and shall extend back therefrom as far as may be necessary to include a total area of not more than 1,920 acres, the length of the location, however, not to exceed three miles. The tract shall be marked on the ground by two legal posts firmly fixed in the ground, one at each end of such front boundary. The posts shall be numbered '1' and '2' respectively. It shall not be lawful to move post No. '1,' but post No. '2' may be moved by a Dominion land surveyor if the distance between the posts exceeds the length prescribed by these regulations, but not otherwise. The side boundaries shall be parallel lines drawn from each end of the front boundary at right angles to the base-line of such river or lake, established or to be established by the Department. In the event of the base-line not being established, the side boundaries of the location shall be drawn at right angles to the general direction of the valley of the river or the margin of the lake. The required notice of application shall be posted conspicuously on the location near the margin of the lake or river on which it fronts.

"The boundaries of claims situated on the margin of a lake or river, and any disputes which may arise in connection therewith shall be subject to final adjustment by the Minister."

The regulations for the disposal of petroleum and natural-gas rights, the property of the Crown, as established by the Order in Council of the 11th March, 1910, are hereby extended and applied to lands included in the Railway Belt in the Province of British Columbia, and to lands situated within the tract containing three and one-half million (3,500,000) acres acquired by the Dominion Government from the Province of British Columbia and referred to in subsection (b) of Section 3 of "The Dominion Lands Act."
